

Merry Quizmas

ANSWER SHEET

FOR: _____

1. Each team takes turns asking their questions of the other teams (write the name of the team asking the questions next to "Round X").
2. Teams mark their own answers with disputes settled by asking team.

3. If one of your questions is answered correctly by **one team only** award yourself a bonus point.
4. Once all teams have asked their questions add up the total score including any bonus points to determine the winner.
